Government Code, §2001.039 requires state agencies to review each of their rules every four years to consider whether the reason for adopting each rule continues to exist. If as the result of the review an agency determines that the reasons for initially adopting the rule continue to exist, the agency may readopt the rule in accordance with §2001.039.

During January and February 2020, the Texas Department of Transportation reviewed Title 43 Texas Administrative Code, Part 1, Chapter 1, Management, Chapter 5, Finance, Chapter 11, Design, Chapter 15, Financing and Construction of Transportation Projects, Chapter 21, Right of Way, and Chapter 27, Toll Projects. The Notice of Intent to review was published in the *Texas Register* on January 24, 2020 (45 TexReg 595).

No comments were received regarding this rule review.

The Texas Transportation Commission (commission) finds that the reasons for adopting these rules continue to exist.

IT IS THEREFORE ORDERED by the commission that the reviewed rules are readopted and that the executive director provide for filing with the Office of the Secretary of State, Texas Register Division, a notice readopting these rules.
